GO GREEN LIBRARY WEEK 2023

The Go Green Library Week was a success. The library team seized the opportunity to encourage recycling as a way to support the environment. There was a follow-up activity where the staff and students were encouraged to create something unique and wonderful from pre-existing items like magazines, plastic water bottles, tin cans, egg cartons, newspapers, and more. The winner of Go Green Library Week 2023 was Maitha Mohammed Ahmed Almarri (BSCS).

APA FORMATTING GUIDELINE

The APA formatting style, 7th edition, was fully adopted in BUIID in January 2024.

Students are encouraged to follow the formatting guidelines and the template which are available on the library website.

Students can refer to <https://apastyle.apa.org> for further guidance on APA formatting style.

APA style makes use of specific guidelines concerning the structure, content, and order of each page of a research paper or manuscript.

Adhering to the uniform standards of APA style will enhance your paper's organisation and allow readers to review your work with greater clarity.
