INDIVIDUAL LIBRARY ASSISTANCE

To ensure you get the most out of our services, tools, and resources, we provide staff and students private sessions with a librarian.

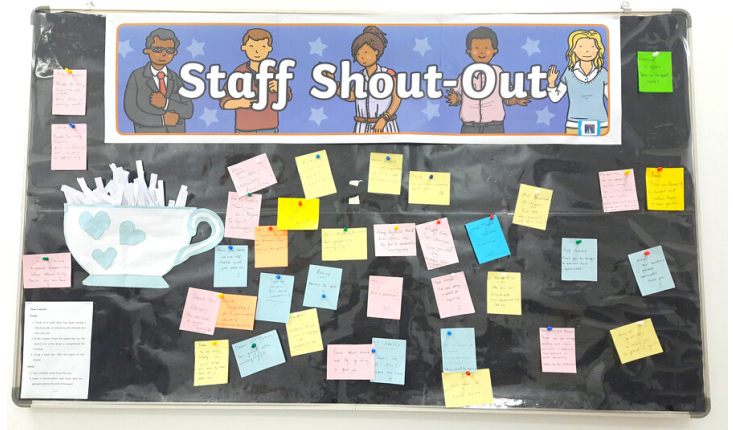

The sessions are either face to face or virtual.

We entertain library-related queries, like finding information for your assignments, research, projects, accessing online resources, evaluating your sources, understanding your referencing style, and more!

Kindly note that this service is on a first come, first served bases and all bookings must be made on the library's website.

STAFF CORNER

STAFF SHOUT-OUT

A simple gesture can brighten up someone's day!

As the year 2022 was coming to an end, BUiD staff showed their appreciations and recognition to one another for their support and contributions all through the year.

The staff-shout out came with a free, arbitrary selection of folded papers. Each employee had to choose a paper and a lunch date with the person whose name they chose.

Wrapping up the year with no face mask surely brought a sign of relief to everyone as staff can now freely socialize while staying safe.
